Description

Look what just bloomed with the flowers. A quaint bungalow nestled just minutes from Mott Community College and the Flint Cultural Area. This freshly painted 2 Bedroom, 1 bathroom home includes many updates all while holding its original charm. As you make your way across the finished hardwood floors you will find all new windows and light fixtures that really set off the original oversized cove moulding and arched doorways. In between the primary and secondary bedroom sits a beautiful newly remodeled bathroom. The kitchen offers new stainless steel appliances and plenty of cabinet space to store all of your cooking essentials. As you make your way through the french doors you will find an oversized deck that oversees the fenced in backyard. Bonus! Basement includes two rooms ready for use and a home warranty. All that's missing in this home are its new homeowners. Call and schedule your private tour today.
